Subject: RE: 30 Day Notice for Combustor Equivalency Testing on Blaze King PE32

Dr. Sanchez,

In light of the recent ADEC report review summaries, we have decided to postpone our combustor equivalency testing (scheduled for the week of December 14th) until our reports have been deemed approved.

If you have any questions or concerns, please do not hesitate to contact me.

Thank you,

Ashnil Reddy

Subject: FW: 30 Day Notice for Combustor Equivalency Testing on Blaze King PE32

Dr. Sanchez,

I'm writing this email to inform you that we're back on schedule with respect to combustor equivalency testing on the PE32. I have attached the revised 30 Day Notice above. Testing will still occur at our Walla Walla, Wa facility during the week of December 14th, 2020.

If you have any concerns, please do not hesitate to contact me.

Thank you,

Ashnil Reddy

Subject: RE: 30 Day Notice for Combustor Equivalency Testing on Blaze King PE32

Dr. Sanchez,

I'm writing this email to inform you that due to the recent outbreak of the Covid-19 virus, we have postponed the combustor equivalency testing on the PE32 until April 13/14, 2020. I have attached the revised 30 Day Notice above. Testing will still occur at our Walla Walla, Wa facility.

If you have any concerns, please do not hesitate to contact me.

Thank you,

Ashnil Reddy

Subject: RE: 30 Day Notice for Combustor Equivalency Testing on Blaze King PE32

Dr. Sanchez,

This email is in regards to the 30 Day Notification for Combustor Equivalency testing on the Blaze King Princess PE32; we have had to change the date and testing location due to scheduling conflicts. The test will now be run on March 23/24 at the Blaze King Test Lab in Walla Walla, Washington. I have attached the revised notice for your reference.

Please do not hesitate to contact me if you have any concerns.

Thank you,

Ashnil Reddy

Subject: 30 Day Notice for Combustor Equivalency Testing on Blaze King PE32

Dr. Sanchez,

This email is in regards to the 30 Day Notification (attached above) for Combustor Equivalency testing on the Blaze King Princess PE32. All testing will be done at the PFS-TECO test facility in Clackamas, Oregon on February 24/25, 2020.

If you have any questions please do not hesitate to contact me.

Thank you,

Ashnil Reddy
